Remove "The Board's Request for Proposal/Bid, the proposal/bid response, " if no RFP conducted

III. EXECUTED CONTRACT TO CONSTITUTE ENTIRE AGREEMENT

The Board's Request for Proposal/Application/Bid, the proposal/application/bid response, written communications and this Contract constitute the entire agreement between the parties. The order of precedence is as follows:

- A. Laws, regulations and policies of the State and Federal government
- B. [HHS Administration for Children & Families General Terms and Conditions](#)
- C. Standard Terms and Conditions ([DOA-3054](#))
- D. Standard Terms and Conditions ([DOA-3054A](#))
- E. Supplemental Terms and Conditions ([DOA-3681](#))

- G. Contractor's proposal/application/bid as submitted
- H. Addenda to the Request for Proposal/Application/Bid
- I. Request for Proposal/Application/Bid # _____

Any conflict in terms shall be governed by the highest listed document.

Contractor agrees to renegotiate this Contract or any part thereof in such circumstances as:

- Significant reduction in the monies available affecting the substance of this Contract; or
- Changes required by court action, or by changes to Federal law, State law, or regulations that substantially change the type of services delivered under this Contract or;
- Implementation of any new program or policy initiative that is not specifically mandated by Federal or State laws, rules or regulations.

Failure to agree to a renegotiated Contract under these circumstances is cause for CANBPB to terminate this Contract.

Revision of this agreement may be made by mutual agreement. The revision will be effective when an addendum or amendment to this agreement is signed by the authorized representatives of both parties. In circumstances in which increased caseload or Contract amount, where such increase in funds is for the same purpose as originally agreed upon, the agreement may be amended by a unilateral amendment made by CANPB.

If any provision of this Contract is found by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the Contract shall remain valid and in full force and effect. The invalid provision shall be replaced with a valid provision that comes closest in intent to the invalid provision.

IV. SUBCONTRACTS

A. Prior Written Approval

The Contractor may Subcontract part of this Agreement only with the prior written approval from the Board. In addition, CANPB approval may be required regarding the award process, the terms and conditions of the Subcontracts and the Subcontractors selected. Approval of the Subcontractors will be withheld if CANPB reasonably believes that the intended Subcontractor will not be a responsible provider in terms of services provided and costs billed.

B. Contractor Responsibility

The Contractor retains responsibility for fulfillment of all terms and conditions of this Agreement when it enters into any subsequent agreement with a Subcontractor and will be subject to enforcement of the terms and conditions of this Contract.

V. SCOPE OF SERVICES

The Contractor will provide services in accordance with this Contract. Specific program requirements are included as **Exhibit 1: Scope of Services**.

A. Provision of Services

The Contractor shall provide the services with all due skill, care, and diligence, in accordance with accepted industry practices and legal requirements, and to CANPB's satisfaction; CANPB's decision in that regard shall be final and conclusive. CANPB may inspect, observe and examine the performance of the services performed on CANPB's premises at any time. CANPB may inspect, observe and examine the performance of Contractor's services at reasonable times, without notice, at any other premises.

If CANPB notifies the Contractor that any part of the services rendered are inadequate or in any way differ from the Contract requirements for any reason other than as a result of CANPB's default or negligence, the Contractor shall at its own expense reschedule and perform the work correctly within such reasonable time as CANPB specifies. This remedy shall be in addition to any other remedies available to CANPB by law or in equity.

B. Contractor Personnel

When contracted staff are utilized, it is CANPB's expectation that the Contractor or their contracted staff are responsible for provision of all needs for the contracted staff to perform the services. Those include, but are not limited to space, equipment, software, connectivity, supplies, email, phone, etc. CANPB will not provide any such items unless specified in the Scope of Work exhibit of this contract.

CANPB reserves the right to refuse to admit to CANPB's premises any person employed or contracted by the Contractor whose admission in the opinion of CANPB would be disruptive to operations.

If requested by CANPB, the Contractor shall provide a list of the names and addresses of all Contractor's employees, contracted personnel, or Subcontractor's employees who may at any time require admission to CANPB's premises in connection with the performance of the services, specifying each such person's connection to the Contractor, the role the person is to take in the performance of the Contract, and other particulars as CANPB may require.

C. Background or Criminal History Investigation

Prior to the commencement of any services under this Contract, CANPB may request a background or criminal history investigation of any of the Contractor's employees, contracted personnel, and Subcontractor's employees, who will be providing services to CANPB under the Contract. If any of the stated personnel providing services to CANPB under this Contract is not acceptable to CANPB in its sole opinion as a result of the background or criminal history investigation, CANPB may either request immediate replacement of the person in question, or immediately terminate this Contract and any related Service Agreement.

D. Performance

Work under this Contract shall be performed in a timely, professional and diligent manner by qualified and efficient personnel and in conformity with the strictest quality standards mandated or recommended by all generally-recognized organizations establishing quality standards for work of the type to be performed hereunder. The Contractor shall be solely responsible for controlling the manner and means by which it and its contracted Personnel or its Subcontractors perform the services, and the Contractor shall observe, abide by, and perform all of its obligations in accordance with all legal requirements and State or CANPB work rules.

Without limiting the foregoing, the Contractor shall control the manner and means of the services so as to perform the work in a reasonably safe manner and comply fully with all applicable codes, regulations and requirements imposed or enforced by any government agencies, including all applicable requirements of the Occupational Safety and Health Administration (OSHA) and all safety codes and procedures mandated or recommended by insurance underwriting organizations and all generally recognized organizations establishing safety standards, including without limitation the National Fire Protection Association, for work of the type to be performed hereunder. Notwithstanding the foregoing, any stricter standard provided in plans, specifications or other documents incorporated as part of this Contract shall govern.

E. Conversion Therapy

Funding provided pursuant to the resulting contract may not be used for conversion therapy for individuals under eighteen (18) years of age. For these purposes, conversion therapy refers to the practice of attempting to change an individual's sexual orientation or gender identity, including efforts to change behaviors or gender expressions or eliminate or suppress sexual or romantic attractions or feelings toward individuals of the same sex.

'Conversion therapy' does not include: any practice or treatment that provides acceptance, support, or understanding to an individual, or any practice or treatment that facilitates an individual's coping, social support, or identity exploration and development, so long as such practices or treatments do not seek to change sexual orientation or gender identity; any practice or treatment that is neutral with regard to sexual orientation or gender identity and that seeks to prevent or address unlawful conduct or unsafe practices, or any practice or treatment that assists an individual seeking to undergo a gender transition or who is in the process of undergoing a gender transition.

VI. BILLING AND PAYMENT TERMS

Awarded Contract will follow the costs/expenses outlined in **Exhibit 2: Budget**. Claims for reimbursement must be submitted monthly by the 23rd day of the month. The CANPB shall reimburse the Contractor for the functions it performs and services it provides or purchases as set forth in **Exhibit 1: Scope of Services** the last business day of the same month. Payments by the CANPB under this Contract are contingent upon: (a) substantial compliance by the Contractor of all responsibilities identified in this Contract, and in accordance with State and Federal laws; (b) authorization of Wisconsin and Federal laws and availability of State and Federal funds; and (c) approval of cost allocation plans and of expenditures for non-expendable personal property by State and Federal cost allocation units.

All reimbursements under this contract are subject to the limitation(s) provided under Wis. Stat. s. 49.175(1). Each annual award amount under this contract is set considering SPARC payment timing and the limitations under s. 49.175. All efforts should be made to spend down individual allocations by the end date specified.

Funds remaining at the end of any allocation period ending May 31st will not be carried over. Requests to carryover funds from the second allocation period of a year (ending December 31st) to the first allocation period of the next award year (starting January 1st) may be considered by the department on a case-by-case basis. In addition, the department reserves the right to adjust funding allocations provided under the contract to accommodate requests for reimbursement submitted during the 60-day window allowed in *F. Final Submission* in order to remain compliant with s. 49.175 limitations in a given state fiscal year.

A. Allowable Costs

The Board will make payments for incurred allowable costs that are consistent with the [DCF Allowable Cost Guide Manual](#) and applicable Federal allowable cost principles. Program expenditures and descriptions of allowable costs are further described in 2 CFR Part 200 and 45 CFR Part 75, where applicable. See Office of Management and Budget website for links to Code of Federal Regulations (CFR) sections: [Federal OMB Uniform Guidance Site](#)

B. Travel Expense Policy

All approved travel expenses shall only be reimbursed at the rates currently in effect for State employees. The established State of Wisconsin rates are determined by the Division of Personnel Management (DPM). Reimbursement for any travel exceeding the rates established by DPM will not be allowed. Travel rate maximums established by DPM include but are not limited to the following:

The Contractor shall not pay, nor will CANPB reimburse, for an hourly labor rate for travel time that is more than the normal hourly wage.

C. Expenditure Submission

Claims for reimbursement must be submitted electronically using the SPARC portal pursuant to the requirements of the Board's cost reporting system. SPARC will display the appropriate line codes for reporting. It is important to enter the correct month and year. For those contracts that require match to be reported, match must be reported monthly along with expenses unless otherwise agreed to by the contract administrator.

The expenses entered into SPARC must be saved by close of business (4:30 pm CT) on or before the 23rd day of the month following the month for which reimbursement is being claimed. The Board will issue the reimbursement using direct deposit on the last business day of the same month, subject to reduction, recovery and reimbursement as provided in this Agreement. Late or revised expenses will be processed in the next month's payment cycle.

The payment schedule is available on the SPARC website: <https://dcfsparc.wisconsin.gov/>

D. Reimbursement

CANPB requires all grants to be paid through an **Automatic Clearing House** (direct deposit). ACH payments will be deposited into your agency's account according to your agency's Contract terms. To begin receiving ACH payment, please request forms from DCFContracting@wi.gov. Sign and submit the form along with a voided check, deposit ticket or bank letter to DCFContracting@wi.gov.

Total net reimbursement to the Contractor for incurred allowable expenses shall not exceed the contracted amounts specified in Exhibits to this Contract. Net reimbursements under this Contract may be adjusted for other amounts owed the CANPB.

The CANPB may reduce payments pursuant to State or Federal audits. However, legislative authority is required for imposition of any Federal Performance Audit/Review sanctions. Routine financial audits, such as performed under the single audit, do not require legislative authority.

E. Complete Expenditure Reports

The Board cannot pay Expenditure Reports that are incomplete. Expenditure Reports that do not contain all required information will be returned to the agency to be completed and resubmitted. Resubmitted claims will be paid with the next regular payment cycle. It is important to fill in all fields, with the SPARC Agency Number and the Reporting Period: both month and year, being the most critical. See form details for appropriate file naming conventions.

F. Final Submission

The Contractor shall report all incurred allowable expenses for reimbursement under this Agreement to the CANPB within sixty (60) days of the end of the Contract period.

If allowable under Federal law and funding is available, the CANPB will not unreasonably withhold approval for expenditures eligible for Federal financial participation. To submit an expense report later than sixty (60) days, the Contractor shall submit a written request to the CANPB prior to the sixtieth (60th) day providing an explanation for the late submission. The CANPB program unit providing the funds must approve the late expense report for the late expenses to be reimbursed.

G. Additional Claims Related to the Single Audit

Claims for allowable costs not reported within sixty (60) calendar days of the end of the Contract period, or within the extended period if an extension is granted, will be submitted for Federal reimbursement if (a) the costs are identified as a finding in the Contractor's Single Audit, and (b) the Contractor's Single Audit report is received within the mandated timeframes. Federal reimbursement received will be passed on to the Contractor as a part of the audit resolution process.

H. Excess / Overpayments

The Contractor will return to CANPB any funds paid in excess of the allowable costs of services provided under this agreement within thirty (30) calendar days of notification by CANPB. Allowable costs are defined by 2 CFR Part 200 and 45 CFR Part 75, where applicable, the attachment(s) to this agreement, and/or the program policy manual. If the Contractor fails to return funds paid in excess of the allowable costs of the services provided, CANPB may recover any funds paid in excess of the conditions of this agreement from subsequent payments or may recover such funds by any legal means.

I. Prompt Payment

CANPB shall pay properly-submitted Contractor invoices within thirty (30) calendar days of receipt, providing that the goods or services to be provided to CANPB have been delivered, rendered, or installed (as the case may be), and accepted as specified in the solicitation document or this Contract.

J. State Tax Exemption

CANPB is exempt from payment of Wisconsin sales or use tax on all purchases.

K. Withholding, Deduction/Reduction, and Recovery of Funds

The Board shall have the right to withhold, deduct, reduce, and/or recover payments due under the terms of the Contract if: the Contractor fails to provide services consistent with this Contract, the Contractor fails to meet performance standards, or the Board reasonably determines it to be necessary to protect the Board against potential losses or liabilities, including potential Federal disallowances or sanctions. The Board may recover payments pursuant to State or Federal audits.

1. Withholding

The payments to be withheld will be in an amount the Board determines necessary to cause the Contractor to correct its failures, or to protect the Board against potential losses or liabilities, and such amount will be withheld until the failure to provide the services or meet the Contract provision is cured or until the potential loss or liability ceases. The Board will withhold funds pursuant to this subsection only after the Board has given notice to withhold funds.

2. Deduction/Reduction of Funds

The Board makes payments only for services that are actually provided and that meet the terms and conditions of this Contract. Therefore, the Board shall have the right to deduct the amounts being withheld from its financial obligations to the Contractor if, at the end of the Contract term, the Contractor has not yet cured its failures or caused the potential losses or liabilities to cease. In addition, the Board shall have the right to deduct amounts equal to an amount imposed against the Board as a Federal disallowance or sanction that is attributable to the Contractor's performance or failure to perform.

The Board shall have the right to deduct any amounts due to the Board from the Contractor from money otherwise payable to the Contractor for any other reason specifically provided under this Contract.

CANPB reserves the right, upon careful examination, to reduce the total amount of the Contract award due to significant under-spending by the Contractor. All such Contract award reductions will

be executed by a unilateral amendment issued by the Board and will become effective upon thirty (30) calendar days written notice to the Contractor. Such reduction in funding shall not relieve the Contractor of any programmatic requirements or contractual responsibilities.

3. Recovery of Funds

The Board reserves the right to recover funds that are owed by either:

- a. Requesting immediate repayment from the Contractor, or
- b. Reducing future disbursements to the Contractor by an amount equal to what is owed. The Board may adjust subsequent claims for reimbursement by any audit exception or non-compliance exception up to the amount of the exception.

4. Payment Adjustments

The Parties shall attempt to negotiate the timing and payment schedule of any adjustments under this section.

VII. CONTRACTOR LIABILITIES

A. Indemnification

Contractor shall indemnify and hold harmless the State of Wisconsin, and any of its officers, employees, or agents against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees, for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officer, employees or Subcontractors.

B. Past Due Liabilities

The Contractor shall notify CANPB in writing, within thirty (30) calendar days of the date payment was due of any past due liabilities to the Federal government, State government or their agents for income tax withholding, FICA, Worker's Compensation, Unemployment Compensation, garnishments or other employee related liabilities, Sales Tax, Income Tax of the Contractor, or other monies owed. The written notice shall include the amount(s) owed, the reason the monies are owed, the due date, the amount of any penalties or interest, known or estimated, the unit of government to which the monies are owed, the expected payment date and other related information.

C. Past Due Payments

The Contractor shall notify CANPB, in writing, within thirty (30) calendar days of the date payment was due, of any past due payment in excess of five hundred dollars (\$500), or when total past due liabilities to any one or more vendors exceed one thousand dollars (\$1000), related to the operation of this Contract for which CANPB has reimbursed or will reimburse the Contractor. The written notice shall include the amount(s) owed, the reason the monies are owed, the due date, the amount of any penalties or interest, known or estimated, the vendor to which the monies are owed, the expected payment date and other related information. If the liability is in dispute, the written notice shall contain a discussion of facts related to the dispute and the information on steps being taken by the Contractor to resolve the dispute.

D. Insurance

The Contractor shall maintain the following insurance coverage:

- Worker's compensation insurance, as required under Chapter 102 of the Wisconsin Statutes, for all of the Contractor's employees engaged in the work performed under this Contract;
- Commercial liability, bodily injury and property damage insurance against any claim(s) that may occur in carrying out the terms of this Contract, with a minimum coverage of one million dollars

(\$1,000,000) liability for bodily injury and property damage including products liability and completed operations; and

- Motor vehicle insurance for all owned, non-owned and hired vehicles that are used in carrying out the terms of this Contract, with a minimum coverage of one million dollars (\$1,000,000) per occurrence combined single limit for automobile liability and property damage.
- Certificate of Insurance, showing up-to-date coverage, must be on file in the Agency before the Contract may commence. (if applicable)

The State reserves the right to require higher or lower insurance limits where warranted.

E. Bonds

CANPB may require written assurance that the Contractor has in force and will maintain for the course of this Contract Employee Dishonesty bonding. A Commercial Crime Insurance Policy can be maintained by the contractor to satisfy this requirement and may be requested by CANPB.

F. Liquidated Damages

The State declares, and the Contractor acknowledges, that the State may suffer damages due to the Contractor's delay or failure to perform in accordance with the terms and conditions of the Contract or other similar directive. Since it is impractical and difficult to accurately fix actual damages sustained in the event of any such delay or failure, the State may assess the Contractor, after notice to the Contractor of the appropriate amount, beginning on the first business day after the scheduled due date of any work to be performed or provided by the Contractor set forth in a Contract or similar directive, daily liquidated damages for each day the delay or failure continues until such time as the work is provided to the State and either passes acceptance, or is rejected by the State. Said liquidated damages shall be a prorated percentage of the total Contract amount to be determined by the State prior to assessment.

The State shall notify the Contractor in writing of the assessment of liquidated damages. The Contractor shall not be liable for liquidated damages when delays or failures arise from causes solely the responsibility of the State. At the State's option, the State may deduct liquidated damages set forth below from any monies due and payable to the Contractor. Any damages outstanding over and above the amounts deducted from invoices shall be promptly tendered by Contractor to the State.

VIII. PRIVACY AND CONFIDENTIAL INFORMATION

A. Confidentiality of Records

All case information, paper records, written information, and any electronic data shall remain confidential, as required by law and applicable policy, and shall be the sole property of the State of Wisconsin.

Contractor and its Subcontractors shall comply with all State and Federal confidentiality laws concerning the information in both the records it maintains and in any other confidential records the Contractor accesses to provide the services under this Contract.

B. Confidentiality

Except as otherwise authorized by law, the Contractor may not disclose confidential information for any purpose other than purposes associated with the administration of services under this Contract.

"*Confidential Information*" means all tangible and intangible information and materials accessed or disclosed in connection with this Agreement, in any form or medium (and without regard to whether the information is owned by CANPB or by a third party), that satisfy at least one of the following criteria:

1. Personally Identifiable Information;
2. Individually Identifiable Health Information;
3. Non-public information related to CANPB's employees, customers, technology (including data bases, data processing and communications networking systems), schematics, specifications, and all information or materials derived there from or based thereon; or
4. Information designated as confidential in writing by CANPB.

While performing services under this contract, the Contractor shall prevent and prohibit DCF/CANPB data or information from being accessed, used, processed, stored in, or analyzed by artificial intelligence (AI) systems unless approved in writing by DCF/CANPB.

- **Artificial intelligence (AI)** means any IT system or part of an IT system able to perform specific tasks that normally require human intelligence. A complete listing of all such technologies or capabilities is not feasible or desirable, but at present includes capabilities such as visual perception, speech recognition, decision-making, creation of new content, documentation and/or data, and language translation.
 - **Artificial intelligence systems** means any data system, software, hardware, application, tool, or utility that operates, in whole or in part, using artificial intelligence.
- C. **PII: Personally Identifiable Information:** Defined as any information about an individual maintained by an agency, including (1) any information that can be used to distinguish or trace an individual's identity such as name, social security number, date and place of birth, mother's maiden name, or biometric records; and (2) any other information that is linked or linkable to an individual such as medical, educational, financial, or employment information.

Confidential Information does not include information which is required to be disclosed by operation of law.

D. Breach of Confidentiality

If the Contractor becomes aware of any actual use or disclosure of any Confidential Information or has the reasonable belief that there has been a use or disclosure of any Confidential Information that is not authorized by this Contract, the Provider shall notify the Department promptly after becoming aware of such unauthorized use or disclosure, but no later than three (3) business days after the Provider becomes aware of such unauthorized use or disclosure. Such notice shall include, to the best of the Provider's knowledge at that time, the persons affected and the Confidential Information that was or may have been disclosed.

In the event of a breach of this Section by the Contractor, the Contractor shall indemnify and hold harmless the State of Wisconsin and any of its officers, employees, or agents from any claims arising from the acts or omissions of the Contractor, and its Subcontractors, employees and agents, in violation of this Section.

This includes, but is not limited to, costs of monitoring the credit of all persons whose Confidential Information was disclosed, disallowances or penalties from Federal oversight agencies, and any court costs, expenses, and reasonable attorney fees, incurred by the State in the enforcement of this Section.

If a breach occurs, the Provider shall take prompt commercially reasonable steps to minimize the risk of another such unauthorized use or disclosure or to mitigate any harmful effects of such unauthorized use

or disclosure. The Provider shall cooperate with the State's efforts to seek appropriate injunctive relief or otherwise prevent or curtail such actual breach, or to recover confidential information, including complying with a Corrective Action Plan as provided for in Section XII C.

"Equitable Relief" means the Contractor acknowledges and agrees that the unauthorized use, disclosure, or loss of Confidential Information may cause immediate and irreparable injury to the individuals whose information is disclosed and to the State, which injury will not be compensable by money damages and for which there is not an adequate remedy available at law. Accordingly, the parties specifically agree that the State, on its own behalf or on behalf of the affected individuals, may seek injunctive or other equitable relief to prevent or curtail any such breach, threatened or actual, without posting security and without prejudice to such other rights as may be available under this Agreement or under applicable law.

Confidential Information does not include information which is required to be disclosed by operation of law.

IX. RECORDS, CANPB PROPERTY AND AUTOMATION

A. Records Access and Retention

Under §19.36 (3) Wis. Stats., all records of the Contractor that are produced or collected under this Contract are subject to disclosure pursuant to a public records request.

The Contractor shall maintain such records (in either written or electronic form) as required by State and Federal law and as required by program policies. The Contractor shall retain records in a secure environment for no less than 6 years beyond the end of this contract, or the period specified in the attached Scope of Services if a different retention period is required. Records for periods which are under audit or subject to dispute or litigation must be retained until the audit/dispute/litigation, and any associated appeal periods, have ended. CANPB will inform the Contractor in the event records would be affected by this.

Upon CANPB's request, at the expiration of the Contract, the Contractor will transfer at no cost to CANPB records regarding the individual recipients who received services from Contractor under this Agreement. The transfer of records includes transfer of any record, regardless of media, if that is the only method under which records were maintained.

The Contractor shall make all records and any written and/or electronic case information available to the CANPB or its authorized agents upon request, and will allow inspection of records and programs, insofar as is permitted under State and Federal law.

This section does not apply to records or data shared by CANPB with contractor under a data sharing agreement entered into as part of this contract.

B. Equipment and Property

The Contractor may purchase and install IT equipment in accordance with the Department of Children and Families (DCF) policies and procedures. Capital equipment is covered under [DCF Policy 233](#). The Contractor shall be responsible for inventory, maintenance, replacement, and security of all purchased equipment.

The Board shall have all ownership rights in any hardware supplied by CANPB and in any software or modifications thereof and associated documentation designed, developed or installed as a result of this Contract.

The Contractor is responsible for keeping all CANPB property secure from theft, damage or other loss. The Contractor shall preserve the safety, security and integrity of CANPB property, data, and equipment in accordance with CANPB policy and procedures.

The Contractor shall keep all State owned automation equipment in a secure place and shall be responsible for damages or losses when such damage or loss is caused by the negligence or willful misconduct of the Contractor, Contractor's staff, or Subcontractor. The Contractor shall reimburse CANPB accordingly upon demand. This remedy shall be in addition to any other remedies available to CANPB by law or equity.

Contractor shall surrender to CANPB all CANPB property upon the termination of this Contract.

C. Proprietary Information

Data contained in the proposal, all documentation provided therein, and materials and innovations developed as a result of this Contract award cannot be copyrighted or patented without written authorization from CANPB. All data, documentation, and innovation become the property of the State of Wisconsin and CANPB. The successful applicant agrees that CANPB shall have royalty-free, non-exclusive, and irrevocable rights to reproduce, publish, or otherwise use and authorize others to use any materials and innovations developed as a result of this Contract award. Any copyright material authorized by CANPB or distribution of materials developed through this Contract award will acknowledge use of CANPB funds.

All right, title and interest in any items and materials originated or prepared specifically and exclusively for CANPB under the resulting Contract from the time of payment belong to CANPB unless CANPB has previously agreed in writing to accept less than the ownership rights described here.

All informational materials related to this Contract will be branded using CANPB approved materials including flyers, Power Point templates and other materials as designated by the CANPB. Reference to or use of the State of Wisconsin, the Great Seal of the State, the Wisconsin Coat of Arms, CANPB or other subunits of the State government, or any State official or employee, for commercial promotion is strictly prohibited. News releases or release of broadcast e-mails pertaining to this Contract shall not be made without prior written approval of CANPB.

D. Information Technology

Where the Contractor requires access to CANPB or DCF systems or data, the CANPB and the Contractor will work together to ensure the efficient and effective operation of automated systems in support of the programs covered by this Contract. The Contractor is required to comply with the [National Institute of Standards and Technology \(NIST\) special publications](#), under their current revisions 800-53 (Rev. 5) - Minimum Security Controls (Moderate-Impact Baseline).

E. Access to State Automated Systems by Contractors, Subcontractors or Others

Contract provisions apply to Contractor staff, Subcontractor and other staff authorized by the Contractor to carry out Contract responsibilities. In the event that any individuals require access to the State's automated systems, the Contractor Security Officer will ensure that such access is maintained at the minimum necessary for the individual to provide Contract services.

Prior to requesting access, the Contractor will prepare and submit to the CANPB properly executed data sharing agreements, appropriate confidentiality agreements, or completed access request form as defined by the CANPB or the Department. The agreements will address compliance with relevant State and Federal confidentiality regulations, and will specify that the individuals granted access are

responsible for safeguarding the confidentiality of information and for using said information exclusively for authorized purposes.

X. ACCOUNTING REQUIREMENTS

A. Accounting Records

The Contractor shall maintain accounting records in accordance with Generally Accepted Accounting Principles (GAAP), in a manner which will enable State or Federal government or other staff to audit and examine any books, documents, papers and records maintained in support of the Contract and as more specifically provided below. All documents shall be made available to the CANPB at its written request, and shall be identifiable as pertaining to this Contract.

B. Accounting System
